About Us

Our Mission

Our mission is to provide temporary aid and assistance to veterans and eligible family members during time of need. We are a state mandated agency dedicated to aiding Medina County veterans during times of need.

History

Ohio County Veterans Service Offices were established in 1886 to assist Union Soldiers and their families after the civil war.

Who We Are

The Veterans Service Office is legislated by the State of Ohio and funded by county property taxes.

Each of the 88 counties in the State of Ohio has a board of five Veterans Service Commissioners created under the Ohio Revised Code , ORC 5901, who administer the program for their respective community.

We understand the issues veterans are facing, and have extensive knowledge about benefits that may be available to them.
