From Ray about Medals Program

Wanted to give you an update on where the high school medal program was when you had the coalition meeting last week.....Lofy mentioned it to me yesterday when we had honor guard duty. There really isn't much to report as far as changes go since I last reported at the coalition meeting at the hall....

1. All individuals responsible for their particular high school they have been working with in the past have been notified to contact the school to see if they have a number yet of individuals going into the service. i.e., Joe Destro responsible for Brunswick High.....he will get back to me, for example.

2. I have contacted the high schools I am responsible for; Black River and Medina. I am waiting for information.

3. I reminded everyone I am not responsible for contacting the high schools.....they are. All I do is make sure they have their appropriate number of medals.

4. I just want to assure you the ball has been rolling for a few weeks now to get the numbers. There should be no issues as long as the guys get back to me.

Enjoy your weekend, and Happy Easter.

Ray
